

MEMORANDUM

TO: Advisors with Participants Registered for Summer Camp
FROM: Mike Cowles
DATE: June, 2010
RE: Camp Information

We are in receipt of registration forms for participants from your school. This memo is to give you some pertinent information about camp.

Enclosed is a copy of the information sent to each of your registered participants. Please insure that you and your students have followed the directions regarding the Code of Conduct/Parental Permission Agreement and the Release and Waiver of Liability and Indemnity Agreement. These forms **must** be signed and brought to camp. Anyone without these forms will not be assigned a dorm. **DO NOT MAIL** the forms to the SkillsUSA Ohio Office.

You should arrive at Hocking College, North Hall Dorms (see map) in Nelsonville, Ohio, for registration between 10:00 a.m. and 1:00 p.m. on Monday, July 19th. Students are not permitted to drive their own vehicles to camp. Activities will finish by 11:00 a.m. on Friday, July 23rd.

All vehicles will be parked at the Dormitories Parking Lot. Parking is free.

Hocking College is a full-functioning college and there will be classes in session. We will have designated meal and Student Activity Center times. It will be each advisor's responsibility to coordinate your students' participation in these activities. Each participant will be given Hocking College ID Cards and wristbands that will gain access for student meals and Activity Center. Advisors will be teamed up for floor supervision at the dorms.
