

Computer Maintenance Technology

Purpose: To evaluate each contestant's preparation for employment and to recognize outstanding students for excellence and professionalism in the field of computer maintenance technology.

Clothing: Acceptable work clothes, safety glasses with side shields or goggles. (Prescription glasses can be used only if they are equipped with side shields. If not, they must be covered with goggles.)

Contestants: 3 per region, determined by regional event

Tools/equipment to be provided by each contestant:

Tools:

1. Phillips screwdrivers, small and large
2. Boot disk allowing command line interaction with system or PE type interface with Spyware/Malware/Anti-Virus scanner
3. Multi-meter
4. Antistatic wrist strap
5. Pencil

The contest will be judged based on the criteria established in the 2010 SkillsUSA Championships Technical Standards.
