

TV/Video Production

Purpose: To evaluate each contestant's preparation for employment and to recognize outstanding students for excellence and professionalism in the field of television/video production.

Clothing: Acceptable business work clothes; no school names may be displayed on any apparel. Bring clothing appropriate for weather conditions.

Contestants: 2-per team from each school that has registered for this contest on the regional registration form

Tools to be provided by contestant:

All contestants must bring their own equipment and computer hardware. Refer to Technical Standards as a guide. In addition the following items must be brought:

- a. 25' UL approved extension cord
- b. Surge protector strip

All footage/ data will be turned in on Friday to the contest coordinator and secured until Saturday morning.

All shooting will be done by Natural Light. No Flash or other artificial lighting is permissible.

A School Advisor (not necessarily the instructor) must be present at orientation on Friday.

Scope of the Contest

The contest will be judged based on the criteria established in the 2010 SkillsUSA Championships Technical Standards. Questions may be emailed to John Ginter at ginterj@butlertech.org.
