

CNC 3-Axis Milling Programmer

Date	March 1, 2024	Orientation Time	7:30 a.m.		
	Delaware Area Career Center		(CLOSED to instructors) Immediately following		
Location	4565 Columbus Pike	Contest Time	orientation		
Location	Delaware, OH 43015	contest mine	(CLOSED contest)		
Scope of Contest	'	ability to program CN	· · ·		
	This competition will assess the ability to program CNC milling machines, interpret prints (including GDT), and measure/gauge parts. Competitors also will				
	demonstrate theoretical knowledge of CNC machine configuration, setup, and				
	operations.				
Testing	NO				
Eligibility	1 contestant for every 50 paid members enrolled in program				
Clothing	Work Attire: Field specific work clothing required for the work environment or that matches the service conditions for the contest. This may include jeans if they				
	are clean and professional looking and are accepted in the respective field (no holes or overly soiled pants). Work shoes or boots with a hard sole or anti-slip properties (steel toes may be required – refer to <b>Provided by Contestant</b> section below). Clothing should be as such that it will not get caught in moving equipment or power tools. School uniforms may be worn if they meet the above requirements with all identifiers covered.				
Dec. 1de de					
Provided by	Professional Resume – typed hardcopy				
Contestant	Emergency Medical Form (Contestants must have this to compete)				
	Pen or Pencil				
	Non-programmable calculator (not a machinist calculator)				
	Provided at site: Hard copy of Haas CNC Mill and CNC Lathe reference manual to				
	use during contest, plain paper for notes and calculations on contest, computer				
	with Mastercam software.				
	Disqualifications: Cell phone in competition area, smart watches.
