

Health Knowledge

Date	February 24, 2024	Orientation Time	8 AM (CLOSED to instructors)
Location	Mid-East CTC - Zanesville 400 Richards Road Zanesville, OH 43701 Room 5035	Contest Time	Immediately following orientation (CLOSED contest)
Scope of Contest	<ul style="list-style-type: none">• The competition will be two halves consisting of 28 questions in the first half and 27 in the second half for a total of 55 questions worth 15 points each.• 5-minute break between the first and second halves.• Each team will begin each half with 0 points.• The question will be read once and visually displayed. The team will have 30 seconds after the question has been read to determine and write the answer. 1` A five-second warning will be given before time is up. A team member must be standing with the answer before time is called.• A team may choose to answer the question or not answer the question.• The answer will be written on a sheet of paper. It must be written legibly and large enough to be seen by the floor judge.• Any team member may write the answer. The member must not start writing the answer until the entire question has been read. He/she must complete writing the answer and then stand before time is called. No team member may stand before the writer has completed the answer.• If a team member is not standing prior to the end of the allotted time, it will be considered a pass for the 2 questions per half. If the passes have already been used, it will be scored as an incorrect answer, and 15 points will be deducted.• Teams may discuss answers among themselves. Competitors are cautioned to whisper so they're not overheard by other teams.• Answers must be spelled correctly. Spelling errors will be counted as an incorrect response.• The team member will display the answer when directed to do so by the judge. The reader will announce the correct answer. The floor judge will check the team answer. If correct, the scorer will add 15 points to the team's score. If incorrect, the scorer will subtract 15 points from the team's score. If the team chooses not to answer the question, they will receive a '0' score. This is allowed for 2 questions per half. Any unanswered questions after the 2 'Passed' questions will be scored as an incorrect answer and 15 points will be deducted from the team score.• The judges will make the scores visible to all teams before the start of the second half of the bowl.• Score discrepancies must be addressed by the team captain.		

	<ul style="list-style-type: none"> • The judging team will make all decisions regarding score, correct answers and rule violations. The decision of the judging team will be final and will be announced by the competition chair. Disqualification may result from repeated rule violations. • A team that wishes to challenge a score or an answer must address the issue with the floor judge before the next question begins. This is signified by the team captain standing and raising his or her hand prior to the next question being read. The judge will recognize the team and the team captain will have one minute to state the rationale for the challenge. Challenges will be reviewed immediately, and all contestants will be notified of the challenge decision and scores will be adjusted/recorded as appropriate. • It is the responsibility of all team members and advisors to know the rules of the competition. • Resource books used to develop the competition questions will be provided for the judges' reference if needed.
