

Carpentry

Date	February 9, 2024	Orientation Time	8:00 am (CLOSED to instructors)
Location	Ohio Carpenters JATC Columbus Campus 1899 Arlingate Ln Columbus, OH 43228	Contest Time	Immediately following orientation
Scope of Contest	The contest will assess accuracy, workmanship, the ability to read and interpret blueprints, and the proper use of tools and equipment. Contestants may be required to frame walls using wood and/or steel studs; cut and install common, hip and jack rafters; and install drywall, siding, sheathing, baseboard moldings and window trim.		
Testing	No		
Eligibility	1 contestant for every 50 paid members enrolled in program		
Clothing	<i>No School Logos or Identifiers will be permitted.</i> Work Attire: Field specific work clothing required for the work environment or that matches the service conditions for the contest. This may include jeans if they are clean and professional looking and are accepted in the respective field (no holes or <i>overly soiled pants</i>). <i>Work shoes or boots with a hard sole or anti-slip properties (steel toes may be required – refer to Provided by Contestant section below).</i> Clothing should be as such that it will not get caught in moving equipment or power tools. School uniforms may be worn if they meet the above requirements with all identifiers covered.		
Provided by Contestant	<ul style="list-style-type: none">• Professional Resume – typed hardcopy• Emergency Medical Form (Contestants must have this to compete)• Completed Carpentry Contest Safety form (See forms on SkillsUSA Ohio Web site). Tool List Coping saw Two #2 pencils/Sharpie Marker Claw hammers (1 trim and 1 framing) Calculator Combination square and/or speed square 1 pair of slip joint pliers 1 set of nail sets Cat's paw nail puller Tape measure Framing square Utility knife 10-point crosscut saw Chalk box and line Hard sole work boots/shoes Gooseneck pinch bar		

	<p>Safety glasses and hard hat Cut proof gloves Combination wood rasp and file (4 in 1) Carpenter’s tool pouch 25' extension cord (UL approved grounded) 2–10” C-clamps/2–6R clamps Ground fault circuit interrupter Hand broom and dustpan Straight aviation snips or metal cutting snips Block pane Screw gun and variable speed drill Two-foot level / Four Foot Level Tip holder and two #2 Phillips tips for screw gun Chisel set (1/4” – 1”) Portable sawhorses Hand screwdriver set. Power circular saw with new carbide – tipped blade Putty knife Drill Bits Hack Saw Drywall T-Square Drywall saw 2 Quick Grip Clamps Stair gauges (optional)</p> <p>*Two Compound Miter Saws will be supplied for community use if needed.
