

Hello!!! Welcome to the Southwest Regional SkillsUSA competition!

You will find a “landing” space for your school in the commons area. This is your space to keep your items and hang out until the awards ceremony. There are some games and items on the stage to help keep you busy. There is some food and snacks to help keep you full.

This is our lunch and gathering space during the week. We ask that you respect this space like you would want us to respect yours. Please clean up after yourself.
