

Nail Care

Date	February 13, 2026	Orientation Time	10:45 A.M
Location	Apollo Career Center 3325 Shawnee Rd. Lima, OH 45806	Contest Time	Immediately following orientation (CLOSED contest)
Scope of Contest	<p>The competition will include a series of testing situations demonstrating technical applications. The areas to be evaluated are customer service, safety and sanitation, natural nail care, artificial nails, and nail lacquer and art application. Observations during each segment and evaluation of the finished product will be considered in the scoring.</p> <ul style="list-style-type: none"> • All competitors must bring a model for the competition. Competitors are not permitted to touch their models before the competition begins or between segments. • Conversation between competitor and model is limited. Communication with observers, judges and other competitors is prohibited during the competition. • Disqualification or penalty points taken can occur for the following: <ul style="list-style-type: none"> ○ Leaving competition area before completion of the nail care competition (applies to both competitor and model) without proper escort. ○ Unauthorized use of a product that is not allowed or that doesn't appear in the listing below. ○ Any product that appears to have been altered. • Competitors should come prepared to do the following: <ul style="list-style-type: none"> ○ Ring and pinky fingers of the model's right hand are to be sculpted with acrylic using forms, no tips, in a one-color acrylic (pink, white or clear may be used) technique. (30 minutes). ○ Thumb, pointer and middle fingers of the model's right hand are to have nail tips applied and overlaid with a light-cured gel or a light-cured hybrid acrylic/gel (30 minutes). ○ Flat nail art is to be applied to all five fingers of the model's right hand (40 minutes). ○ All times are approximate and will be confirmed during orientation. ○ A three- to five-minute mock nail care consultation on the benefits of natural nail care. The competitor will address the judges as if they are a new client of theirs in the salon. Props may be used. The consultation should include the following points: (1) Recommended natural nail care services; (2) Results the client should expect; (3) The home care products the client would need to purchase and use to obtain these results. • Sharing of tools between competitors is prohibited.
